

modify the casework procedures to meet the new standards of the United States Bureau of Citizenship and Immigration Services. Her suggestions and expertise were also instrumental in assisting my efforts to dramatically expand the BCIS presence in South Jersey; now, individuals needing the agency's services do not have to travel long distances to other parts of the state to have access to them. It is this dedication and assistance on the part of Ms. Wood that demonstrated to me why she was worthy of my personal nomination for this award.

Mary Philbrook, for whom the award is named, was the first woman admitted to the New Jersey Bar and a founder of the state's first statewide legal aid society, as well as an eminent leader in the efforts for women's suffrage and the passage of the Equal Rights Amendment. It is in this tradition that the award is given each year, and it is clear that Ms. Woods' work has made her more than worthy of this recognition. She truly has demonstrated the difference that one person can make in the lives of others, and I offer her my congratulations and best wishes in her future endeavors.

HONORING SISTER M. SAMUEL  
CONLAN

**HON. LYNN C. WOOLSEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 22, 2004*

Ms. WOOLSEY. Mr. Speaker, I rise today to honor Sister M. Samuel Conlan, who died July 11, 2004, at the age of 77. Sister Samuel served Dominican University of California in San Rafael in many capacities, including president, for many years. Her association with the school dates back to 1944 when she enrolled as a freshman.

Sister Samuel was born Patricia Conlan in 1927 and took the name of her father, Samuel Leo Conlan Jr., when she entered the religious life with the Dominican Sisters of San Rafael in 1949. She taught for five years while

earning a master's degree in English literature from Catholic University of America, then joined the faculty as an English professor. In 1963, she earned her doctorate from Stanford University.

From 1968 to 1980 she served Dominican University as dean of students, academic dean, and eventually president. She is remembered for admitting male undergraduates to the all-girls college during her tenure, but to all who knew her, her contributions were so much greater. She inspired by bringing out the best in people, teaching by her example of faith and service. Her community work, which earned her an induction into the Marin County Women's Hall of Fame in 1995, included championing the needs of children in special education.

Retired from teaching in 1997, Sister Samuel continued to serve Dominican University in various capacities until her death, including fundraising for a new chapel to be built on the campus.

Mr. Speaker, Sister Samuel was a mentor and role model to generations of students and friends. Her guiding light will be missed in our community even as we know her spirit lives on in so many around the world.

RECOGNIZING MARILYN HURT

**HON. RON KIND**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 22, 2004*

Mr. KIND. Mr. Speaker, I rise today to recognize the good works of Marilyn Hurt, who has served as supervisor of the School Nutrition Program for the school district of La Crosse, Wisconsin for 27 years. Mrs. Hurt has been dedicated to improving the lives of children and child nutrition, and I would like to thank her for all her hard work upon her retirement.

Over the years, Marilyn has been an active member on numerous community boards, including the American School Food Service Association and the Wisconsin School Food Service Association. Marilyn has found good public policy to be her passion, which she has illustrated by serving as a legislative chair on Wisconsin's executive board, six times, and, in 1984, she was appointed as regional Representative on ASFSA's public policy and legislative committee. Further, in July of 2000, Marilyn was installed as president of ASFSA. To better serve her community, she was mayor of Dakota, Minnesota for two terms, participates in rotary international, and is part of the La Crosse area hunger task force.

Her relentless commitment to improving the lives of those around her has earned Marilyn several honors. In 1994, she was the first recipient of the WSFSA Director of the year award. The Massachusetts school food service association selected Marilyn to receive the Thomas O'Hearn award, and most recently, she was the recipient of the prestigious silver plate award, bestowed by the International Food Service Manufacturers Association in 2000.

Marilyn has nourished the lives of countless children, and I am proud to have had the opportunity to have worked with such a committed and devoted person. Marilyn's dedication has satisfied more than the grumbling

stomachs of young children. Her efforts have improved the food service program in numerous schools across Wisconsin.

Marilyn has played an instrumental role in the lives of children and their families and her selfless desire to improve the nutrition of children will be remembered not only by the children who walked through the lunch line every day, but by the entire La Crosse community. She will be missed, and we are grateful for the work she has done over the past 27 years.

PILOT POINT SELECTED AS A  
PRESERVE AMERICA COMMUNITY

**HON. MICHAEL C. BURGESS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 22, 2004*

Mr. BURGESS. Mr. Speaker, it is my great honor to rise today to recognize the Town of Pilot Point, Texas as a Preserve America Community. Pilot Point, located in my North Texas District, was one of 26 Texas cities to receive this prestigious designation.

The Preserve America Community program recognizes communities for their dedication to protecting and celebrating America's cultural heritage; for using their historic assets for increased economic growth and community revitalization; and for promoting history education and historical tourism.

The Preserve America Community program is part of the White House's Preserve America Initiative. This initiative is dedicated to preserving our country's heritage, increasing awareness of what as well as who we are as a nation, and keeping our legacy enhanced, and intact, for future generations. Since the formation of the program, First Lady Laura Bush has recognized more than 100 communities with the Preserve America honor.

Other components of the program include a History Teacher of the Year Award, educational outreach, and grants to assist communities in preserving their cultural and natural resources.

I would like to commend Mayor Jerry Alford and the City Council, as well as all those who participated in the Main Street project, for this distinction.
